

NAVICADE™

TRAFFIC CHANNELIZING CONE

The same visibility as a drum, with a smaller footprint and lower price!

- 48" high channelizer with a slim design perfect for narrow highways and street projects where space is an issue
- Very durable, designed to rebound after impact
- Unique handle is easy to grab even with flashing light or sign attached
- Stackable with or without base for easy transportation or storage
- Available with 4 stripes of sheeting
- Molded-in holes for mounting lights and signs
- Solid Rubber Bases in three sizes, 10 lbs., 16 lbs., and 30 lbs.
- NCHRP-350 Accepted, Meets MUTCD Standards

Unique angled handle allows workers wearing gloves to easily set up the Navicade even with light attached.
